

FABRIQUE DES LUMIÈRES

AMSTERDAM

INTRODUCTION

See art come to life in the largest immersive digital art centre in the Netherlands - Fabrique des Lumières - located in the former 19th century gas plant in Westergas area, Amsterdam. A large industrial space with walls up to 17 meters high hosts immersive exhibitions by classical, modern and contemporary artists. The stunning artworks are brought to life through cutting-edge technology, with 100+ state-of-the-art projectors and accompanying music.

SELF-GUIDED VISITS

Due to the multi-sensory nature of our digital art exhibitions, we do not offer guided tours. Instead, visitors are invited to fully immerse themselves and experience the art in their own unique way. There are several informative screens located around the art centre

EXHIBITIONS

Experience the genius of renowned painters of the Netherlands through a complete immersion in authentic artworks, following the footsteps of the great masters who represented the ordinary in an extraordinary way.

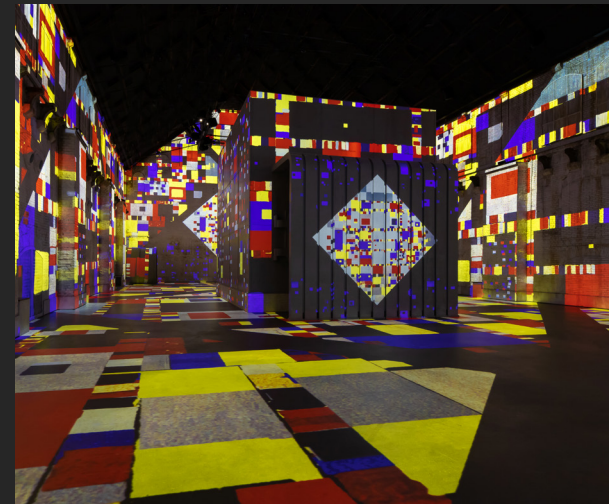

LONG EXHIBITION

FROM VERMEER TO VAN GOGH

DUTCH MASTERS

This immersive experience transports you to the Dutch Golden Age, featuring iconic artists such as Vermeer and Rembrandt capturing the Dutch society with rough seas, scenes of faith and enchanting winter landscapes. Van Gogh also deserves our undivided attention: let's delve into the mesmerizing world of his starry nights.

SHORT EXHIBITION

MONDRIAAN

AN ABUNDANCE OF COLOUR

Mondriaan's iconic grids of primary colours have inspired artists worldwide, leaving an indelible mark on pop culture. This exhibition follows the artistic journey of the painter, beginning with his formative years and culminating in the dynamic interplay of lines and colours that catapulted him to international fame.

EXHIBITIONS

Embark on a journey through time to ancient Egypt and immerse yourself in a millennia old civilization settled along the banks of the river Nile: Egypt, a land known as the Gift of the Gods.

Including informative podcast

LONG EXHIBITION

THE KINGDOM OF THE PHARAOHS AN IMMERSIVE JOURNEY THROUGH ANCIENT EGYPT

The hidden treasures and monuments of the Pharaohs, buried for millennia beneath the sands of the Nile Valley, tell the story of ancient Egypt. Join us on a journey to meet the great pharaohs, from Khufu and Tutankhamun to Ramses II. You'll discover a heritage of dazzling proportions: the pyramids, temples and rich funerary tombs converge in a cosmic vision that brings together gods and men.

SHORT EXHIBITION

FRENCH ORIENTALIST PAINTERS INGRES, DELACROIX, GÉRÔME

In the 19th century, Europeans become fascinated by 'the Orient'. These French artists take you on a journey through their fantasised version of this world. Join us through narrow streets, lively souks and beautiful courtyards. Expect fantasy, mysterious characters, spectacular architecture and mysticism.

SHORT EXHIBITION

FOREIGN NATURE

In 'Foreign Nature', digital artist Julius Horsthuis employs computer generated fractals to create a universe where mathematics and art coalesce seamlessly.
