

Information – School visit

We look forward to welcoming your school group to Fabrique des Lumières soon! This information will help you prepare for your school visit, to make your experience as pleasant as possible.

✦ Before the visit

Inform the pupils about their visit to Fabrique des Lumières: what they will experience, what they can expect and what our house rules are.

Exhibitions

During their visit to Fabrique des Lumières, pupils will see art come to life. What will they experience?

- Moving projections on the floor and walls, accompanied by music.
- 3 exhibitions: In The Hall: Dalí, *The Endless Enigma* and Gaudí, *Architect of the Imaginary*.
In the studio: *Recoding Entropia*.
- It is a self-guided visit (not a guided tour).
- A visit takes one hour in total.

House Rules

We like to ensure that all visitors have a pleasant experience. Therefore, the following house rules apply:

- You are invited to touch the walls in the exhibition space. The walls react to your touch.
- Taking pictures is allowed, but without a flash.
- Running and shouting is not permitted.
- Eating and drinking in the exhibition space is not permitted.
- In the event that our house rules aren't being followed, a security officer will address the relevant teacher.
- The teacher is responsible for the group at all times and must remain with the pupils throughout the visit.

How to get to Fabrique des Lumières
